Work Experience

UI FULL STACK • HCLTech(Hindustan Computer Limited)

December 2022 - June 2023

PROJECT DETAILS:

MERN APP (ReactJS) Need to login into App if don't have account need to sign up or else it won't allow. After login it enters into webcam window on clicking on start recording it will start recording the video and audio. On the click of stop recording the video will be stored in local storage.

Crud Operation On Student Contact (Angular & ReactJS) While saving the contact of the person at the home page first we need to select the category (ex- friends, collage, home) after we select any one of the category the contact will save into that category using Crud Operation

Collage Management System (Angular & ReactJS) This project has a NAVbar that has routing operation to Admission, Time Table, Course Details, Staff details, Fees Section, Student details and these modules have crud operation with respect to their data to be fed and have search operation for student details Staff details etc

Education

2019 - 2023
